

## California Ladies Auxiliary Corner

April 2026

Your Ladies Auxiliary is gearing up for a wonderful Annual Conference in Visalia before the end of this month. Our volunteers will be assisting all of you to ensure this conference is successful and fun.

Thank you's are already in order for your California State and Chapter Executives, Randy Dhindsa, Brandon Villardi, Scott Nichols and John Ferris for your planning and organizational skills to make everything come together. Thank you also to everyone else I have not included here! I really enjoy working with such fine patriots.

**Just a reminder to you all to bring an item for the raffle.** If it is last minute, you can't go wrong with gift cards. They are always the attendees' favorite items. If you have time, then you may consider wine, fine spirits, beer, historical books, quality candy and collectibles.

Looking forward to attending the conference with you and **please contact myself or Karen Carlson with your raffle donations by Saturday lunch. See you there!**

Liz Glidden Ferris  
President, CA Ladies Auxiliary
