COMPLETE MARINE ENGINE TREATMENT

CLEANER FUEL PASSAGEWAYS

A cleaner marine engine will start faster, run smoother, & last longer. Just pour it in!

SMOOTHER RUNNING POWER

MARINE PRO adds high-temp lubricity to fuel, working to help upper engine parts resist long-term wear.

PROTECT YOUR INVESTMENT

MARINE PRO is always working to keep fuel fresh & to protect fuel system parts & components from the harmful effects of ethanol & water.

Sea Foam[®] MARINE PRO

HOW MARINE PRO WORKS

- ✓ Add to fuel to clean fuel injectors & carburetor jets
- ✓ Clean & lubricate critical upper engine areas
- ✓ Reduce long-term engine wear
- ✓ Prevent corrosion caused by ethanol & water
- ✓ Stabilize tank fuel up to 2 years
- ✓ Safe for all 2- & 4-stroke gasoline marine engines, inboard & outboard
