Re: False TV Commercial

Dear Representative Titus:

I represent Mark Robertson, the Republican nominee for Congress in CD1. Demand is hereby made that you immediately cease and desist from running the blatantly false, deliberately misleading and defamatory TV and print ad regarding alleged SEC action against Mr. Robertson as well as his position on Social Security and Medicare. The ad falsely claims that Col. Robertson was sanctioned for his role as a financial planner. Attached hereto is a point-by-point rebuttal to the ad. As you know, there is no truth to your ad's assertions.

Please do the honorable thing by taking down these ads so that legal and administrative action will not be required.

By copy of this letter, each media outlet is also being requested to cease and desist from continuing to run these outrageous ads.
