

2025 Town of Longboat Key Hurricane Re-Entry Process

The Town of Longboat Key is improving the hurricane re-entry process for greater efficiency and safety.

Hurricane Re-Entry Tiers:

- **Tier 1:** Emergency Responders – Ensure the island is safe for access.
- **Tier 2 (Green Decal):** Relief workers, food and fuel suppliers, essential personnel such as business owners/operators critical to the recovery effort, healthcare workers, insurance agents, banking professionals, condominium/hotel leaders and critical staff.
- **Tier 3 (Red Decal):** Residents/property and business owners.

Re-Entry Decals:

- Decals must be placed on the inside of the driver's side windshield (do not block the VIN number or place over window tint).
- Decals are valid for the calendar year and distinguish Tier 2 from Tier 3 access.

How to Obtain a Decal:

Decals are available at the front desks of the following Town departments:

- Police Department
- Fire Department
- Public Works
- Town Hall
- Planning, Zoning, and Building Department

Required Documentation:

- **Residents/property owner:** Provide proof of residency (e.g., utility bill, Florida driver's license, deed, rental agreement, phone bill, cable bill, etc.).
- **Businesses & Essential Workers:** Business owners, healthcare workers, insurance agents, banking organizations, food suppliers, hotel and condominium managers, and their staff must provide proof of employment.

Important Reminder:

It is strongly recommended to obtain your decal early to avoid delays before a storm approaches.
