

RUTH WAGNER

Head of Data Science & Analytics,
Plant Biotechnology, Crop Science

Bayer

Ruth serves as a member of the Plant Biotechnology Leadership Team and Head of Data Science & Analytics for the Plant Biotechnology organization in the Crop Science division of Bayer. Based in St. Louis, Missouri, Ruth is responsible for accelerating product development through strategic data engineering methodologies, statistics, and predictive analytics. Ruth has been a member of Bayer's Women in Science (WiSE) leadership team since 2016 and in 2018 helped launch its ally organization, WiSE Guys.

Ruth joined Bayer Crop Science in 2018 after a seven-year career at Monsanto. Ruth holds a Ph.D. in Genetics from Iowa State University and a Bachelor of Science in Biology from St. Mary's University of Minnesota. In previous roles, Ruth led teams of molecular biologists, geneticists, and genomics data scientists in Monsanto's Plant Biotechnology and Vegetable Breeding Technology organizations.
