The Maryland and Delaware Railroad Company (MDDE) has served the Delmarva Peninsula for over 40 years. We serve some of the region's largest users of chemicals and industrial products, as well as the Delmarva agriculture and poultry industries.

Our management team has decades of experience providing quality, customer-focused service in the rail and trucking industries. Whether you're located directly on one of our rail lines, or you're seeking a rail-truck transload option to deliver product to your door, we have the experience and expertise to make it happen.
