Ribbon Cutting/Open House
Positivi-Tea/Shoretobefun Photography

Postivi-Tea and Shoretobefun Photography embarked on a new endeavor together in a shared space in Greensboro!

The chamber conducted a ribbon cutting! This unique partnership came through a collaboration between the Caroline County Chamber of Commerce and building owner Michele Clough to provide an incubator space for chamber businesses looking to grow! Positivi-Tea has plans to host Sunday Tea, Saturday Workshops, Friday Night Fun Nights Tea parties and a book club.

Shoretobefun will be conducting headshots for those that need an update. Both are selling retail items.

MEET and GREET

Chamber members toured the Resource and Youth Centers at His Hope Ministries in November! HHM hosted a meet & greet at their location at 105 Gay Street in Denton on November 10, 2022.

Guests brought items to donate for the shelter and had the opportunity to meet the new Executive Director of His Hope Ministries, Stefanie Johnson as we all network with other members at the event.

His Hope Ministries is a Christ-centered ministry committed to ending homelessness in our community.

If you would like to make a donation, please visit their website <https://hishopeministries.org/>

Caroline Nonprofit Network Spotlight

The Chamber hosted a Meet & Greet with Junior Achievement at the Chamber office on November 2, 2022. Guests learned about all that JA does for students all over the region.

Over the next 13 months the Chamber will feature a nonprofit member in the Caroline Nonprofit Network. December is Junior Achievement.

We will tour their facility in Salisbury and share their information with members via email blast and on social media. Do not hesitate to share this information with colleagues, family and friends.
