WOMEN IN BUSINESS

Kathleen Brenton of Brenton Realty and Amy Wilson of Burke and Herbert Bank guided attendees in creating Vision Boards. This project helped guests focus on their goals for 2025. A delightful lunch was catered by Earth Tones Cafe, Caroline's, and Craft Bakery. Special thanks to Turnbridge Manor, for allowing us to host the event at their beautiful venue.

TASTE OF EASTERN SHORE

The Chamber of Commerce attended a Legislative event organized by: Tri-County Council for the Lower Eastern Shore of Maryland in partnership with the Mid-Shore Regional Council and the Upper Shore Regional Council. A great opportunity for building connections and bridging gaps across Maryland.
