# Conquering Chaos, LLC

Conquering Chaos, LLC was established in April 2019. The Owner and Operator, Kim Ernest set a goal to utilize her professional strengths/accomplishments to optimize her impact on her community. Having established 18+ years of Bookkeeping experience she comes with a proven track record in increasing revenue by managing accurate record keeping and reconciliations, is dependable, analytical, self-motivated, detail oriented and strategic minded, with the ability to manage a high degree of complexity into simple solutions, with solid time management skills, the ability to organize, prioritize and perform multiple tasks, simultaneously. Kim possesses strong problem analysis and resolution skills, with the ability to drive results, while maintaining client confidentiality. For the first several years of her career, her extensive experience in financial services were primarily focused on telecommunications construction, having expanded over the past 4 years, to include fiber splicing, occupational health, spa services, lending, and non-profit industries.

Conquering Chaos, LLC also specializes in digital organization (scanning/filing). In an electronic age, it is extremely beneficial to have files at your fingertips for organization, file sharing, remote work, and mobile access.
