

Hello Caroline County Chamber Members and Friends,

October is here and that means it's time for our Second Annual Mactoberfest 2020!

This year all who attend can begin their mac and cheese journey Friday night from 5:00 PM -8:00 PM and continue Saturday from 11:00 AM- 5:00 PM.

Once registered you will receive a digital road map, a Pit Pass (brought you to by Midshore Technology Services) that will enable you to try all the delicious mac and cheese, enter into raffles, selfie contest and enter after parties.

We have a great line up for you this year! We will practice social distancing, everyone must wear masks and will offer curbside to those that need it!

### **Thank you to our Sponsors**
