

Women in Business 2026

Women in Business – First Lunch & Learn of 2026

The Women in Business Network held their first Lunch & Learn of 2026 on February 10 at Caroline's in Denton. Our guest speakers, Jeanne Yaeger and Chelsea Nabozny from the Mid-Shore Council on Family Violence, led an impactful session on "Domestic Violence Doesn't Discriminate."

This year's WIB theme is Love in Action, and this presentation set a meaningful foundation by helping attendees learn how to recognize signs of domestic violence and understand the vital resources MSCFV provides in our community. A heartfelt thank-you to MSCFV for their powerful education and to Caroline's in Denton for hosting us in such a lovely space.

The Women in Business has chosen a theme that guides our energy and our impact. This year, our theme is 'Love Doesn't Hurt,' and it inspired our new campaign: Love in Action. Love in Action is about turning compassion into something tangible. We're raising support for Positive Strides in Preston, an incredible organization that provides healing, hope, and therapeutic riding programs that help individuals overcome trauma and support people with disabilities in building strength, confidence, and emotional well-being.

Our goal is to show what true love looks like in a community—love that uplifts, supports, and helps people reclaim their strength. We invite you to join us in this effort and help us bring real, meaningful change to those who need it most."

Women in Business Lunch & Learn – June 2, 2026

We're thrilled to invite you to our Women in Business Lunch & Learn on Tuesday, June 2, 2026, from 11:30 AM–1:00 PM, an uplifting afternoon designed to inspire connection, creativity, and collaboration among local women leaders.

This special program will be hosted in partnership with the Adult Medical Day Care (AMDC), who have graciously approved the use of shared space on both their side and ours for this event. We are also honored to share that both AMDC Directors- Holly Trice & Arlene Stevens will be joining us, offering a wonderful opportunity for our Women in Business Network to engage directly with leaders serving our community's aging population.

Program Highlights include: 🍴 Catering

The event will feature a delicious menu provided by The Culinary Center.

🎨 Interactive Craft Activity-Attendees will enjoy a hands-on creative experience—either designing a custom fascinator or participating in a guided paint project.

🌱 Leadership Topic: Intergenerational Leadership & Building Community

We hope you will join us! Click here to register!

Love in Action

Women in Business is proud to launch our annual giving campaign inspired by the theme "Love Doesn't Hurt." This year, all proceeds support Positive Strides in Preston, helping survivors of trauma and individuals with disabilities access healing, therapeutic riding services, safety, and hope. Let's lift our community with love that empowers and love that protects. Questions email Tracey Snyder at tracey@carolinechamber.org
