

Dear Caroline Chamber Members and Friends,

We hope this letter finds you and your family well.

The Caroline County Chamber of Commerce's role is to connect and be of service to the business community in Caroline County and throughout the Eastern Shore.

As the coming months bring forth new and distinct obstacles unique to you and your business know that we are here for you. Our number one priority will remain to be the voice for our members.

In May, we hosted a Small Business Academy hands on workshop learning how to work with ZOOM. Since we could not "Mob" we "Curbsided" Bartenfelder Farms for a week. If you did not make it out to their stand, it's worth the trip!

We are continuing with our Small Business Academy- our next one will be held August 3rd and feature Business Credit and Loan Preparation with Provident State Bank. We are conducting these via Zoom. For complete details please email the Chamber at [info@carolinechamber.org](mailto:info@carolinechamber.org).

We continue to work on plans for Mactoberfest 2020!  
We are looking for chefs, vendors and sponsors for this super fun event!  
Complete details coming soon!

Stay safe and well. Thank you for your continued support.

Respectfully,  
Tracey Snyder  
Executive Director
