Welcome, New Member

We are excited to welcome this new member to the Chamber

MARQUEE EVENTS

What began in 1986 in the quiet town of Bethlehem, Maryland, has evolved into one of the region's most respected names in luxury entertainment. Born in the golden age of vinyl and raised on the pulse of nightlife, Marquee Events has grown with the times — yet never lost touch with the soul of what makes a celebration truly exceptional.

At the center of it all is Mark A. Carels, better known to thousands as DJ Marcus Ashley. With nearly four decades of professional experience across radio, nightlife, and private events, Mark brings a rare blend of musical intuition, production savvy, and elite-level polish. His ability to read a room — and reshape it through sound — is second to none.

Whether you're hosting an intimate gathering or a production on a grand scale, Marquee Events delivers more than music — we deliver moments that matter.
