

# Caroline County Chamber of Commerce

*Congratulations SugarCoated Nails  
on your official Grand Opening/  
Ribbon Cutting!*

The Caroline County Chamber of Commerce was very excited to conduct our first Grand Opening Ribbon Cutting for 2021 with SugarCoated Nails on February 10th! The town of Denton and the Chamber was there to support this new business!

There was a wonderful array of nail colors to choose from and those who booked ahead of time were able to take advantage of a deluxe pedicure at the basic price!

Owner Kathy Bradley offered a discount to both the Caroline County Health Department and the Caroline Hursing and Rehab Center for 30 days so they could pamper themselves and relieve the stress of the day.

Schedule your appointment today! You will love the selection and the staff is out of this world!

SugarCoated Nails offers full nail and pedicure services, facial and body waxing. Come pamper yourself!
