NJ acts

## You're invited To attend. It's Virtual!

After working intensely with members of the NJ ACTS community, all interns have networked with trainees/clinicians/scientists, learned about NJ ACTs, and now they are all excited to share their experiences, and provide insight into their final project deliverables.

## Register Here!

For more information about attending this Symposium please contact Yasheca Ebanks, NJ ACTS Project Manger at yebanks@shp.rutgers.edu.
