CLINICAL TRIALS DAY 2026:

Advancing Health Through Research

May 20, 2026

Call for Proposals

Showcase Your Research. Share Your Innovation. Advance Health Through Clinical Science.

Clinical Trials Day celebrates the essential contributions of clinical research professionals and the next generation of translational science leaders. We invite students, faculty, staff, industry partners, and community collaborators to submit proposals for Poster or Scientific Presentations.

This is a unique opportunity to highlight your work, engage with peers, and contribute to strengthening New Jersey's clinical research ecosystem.

Topic Area's

- Clinical Trial Operations: Modernizing Efficiency and Quality
- Participant Recruitment & Retention
- Community Engagement & Health Equity
- Leadership at the Intersection of Ethics and Regulations
- Cutting Edge Training and Education in Clinical Research
- AI Applications in Clinical Research Management
- Data to Impact Informatics in Clinical Research
- Partnering for progress: The Industry–Academic Collaboration

Important Dates

- Poster Presentation and Scientific Oral Presentation Proposal Opens: December 10th, 2025 .
- Call for Poster Presentations closed: February 6th, 2026
- Poster Presentation Decision Notification: April 6, 2026
- Scientific Presentations Decision Notification: April 17th, 2026

Presenters may be placed at any of the three sites based on capacity & topic alignment.

Submission Deadline

Friday, February 13, 2026 at 11:59 PM ET
