

Givah Opportunities!!

We are hoping you will help us find candidates for the following positions. If you know someone who would be a good fit, please either send them our way (givahinfo@gmail.com) or let [us](#) know how to reach them!

Camp Givah runs from June 24th-August 16th, 2019. Camp Givah is located on 250 acres in Berne, NY. Featuring a large recreation hall, playground, pool, athletic fields, arts and crafts building and gan (3-5 year olds) building.

Waterfront Director: The waterfront director must be 21 and have 3 summers of lifeguarding experience (or the equivalent hours in other settings). Candidates must hold certifications in life guarding, CPR, and WSI. Responsibilities include overseeing instructional swim, free swim and boating. In addition, the candidate must work through May and June to get the pool operational.

Health Director: The health director must be an EMT, Paramedic, LPN or RN. There are a few overnights throughout the summer. Responsibilities include caring for normal summer camp injuries (cuts, stomach aches, etc.) and being ready to handle any more serious emergencies before an ambulance arrives. In addition, the health director must be able to communicate with parents.

Counselors: With an application deadline of February 15, we don't want anyone to miss out on the opportunity to work at Camp Givah. Givah is looking for staff ranging from group counselors to lifeguards to specialty counselors.
