

Israeli Picnic Experience

Every year parks, beaches, and back yards are filled with people picnicking, BBQing, singing, and socializing. Given our unusual reality, we would like to recreate this great tradition and allow small, socially distant groups to celebrate meaningfully and safely—outdoors or indoors.

Israeli Picnic Experience contains a picnic blanket/tablecloth (suitable for both) with links to virtual resources and physical, typical Israeli games.

Each “kit” contains:

- Designed blanket
- Link to Israeli playlist
- Link to Israeli picnic recipes
- “Five stones” game
- “gulot” Israeli marbles
- “Safta’s knitting” game
- Shesh besh
- Matkot

And instructions on how to use all of these outdoors or indoors.
