Office of Research's big white tent

HAVE A DRINK ON US!

Zero Waste

This event aims to reduce waste at every point possible by using both recyclable and compostable materials.

Help out by placing your items in the correct bin

As part of our efforts to make
Researchpalooza a **ZERO WASTE**

event and to help you cool off on a hot day, the Office of Research
is giving away water bottles* at a **HYDRATION STATION!**
