

M | ANIMAL CARE & USE PROGRAM

Important Reminders and Deadlines

September

15

Hazardous Agents Administration SOP Compliance Date

MSRB, BSRB, Brehm, Cancer Center

The *Animals Administered a Hazardous Substance Requiring Containment Standard Operating Procedure (SOP)* has undergone several important updates. Everyone who is, or will be, performing procedures that involve the handling of animals or animal equipment contaminated with hazardous agents must read the SOP in its entirety. Staff in the facilities listed above must be compliant by September 15. Visit research.med.umich.edu/hazardous-sop-update for more information.

September

18

Training Requirement Deadline

Personnel (Last Name A - I)

All laboratory personnel working under an approved IACUC protocol are required to complete the MLearning online class *ULAM-60000 Orientation for Animal Care and Use Refresher*. Learn more at research.med.umich.edu/ulam-required-training or contact the ULAM Training Core at ulam-trainingcore@umich.edu or (734) 763-8039.

September

30

Census/USDA Year Ends for All Species

All Principal Investigators and Laboratory Personnel

Animal acquisitions that have not already been reported in eRAM are now due. The Animal Care & Use (ACU) Office will begin collecting required data from affected labs on or around September 30. If you have any additional questions or concerns, please contact the ACU Office at acuoffice@umich.edu or (734) 763-8028.

October

11

Connect with ULAM at the Annual NCRC EXPO

All NCRC Principal Investigators and Laboratory Personnel

Stop by the Unit for Laboratory Animal Medicine table at the annual NCRC EXPO from 11:00 AM - 1:00 PM to pick up materials and resources to help with your next research project.

October

15

Hazardous Agents Administration SOP Compliance Date

LSI, Dental School, School of Public Health, NCRC
