

# Annual Great Lakes Biorepository Research Network Scientific Meeting

*Biospecimen Collections and Biobanking in the Era of Precision Medicine*

**Friday, September 7 • 8:00 AM – 3:00 PM**

**North Campus Research Complex, Building 18**

## GLBRN

### Keynote Presentations

**8:15 AM - 9:10 AM**

**“Molecular Signatures in Multiple Myeloma –  
The MMRF CoMMpass Study”**

Jonathan Keats, Ph.D., Director of Bioinformatics &  
Assistant Professor, TGen

**9:10 AM - 10:00 AM**

**“All of Us -  
Historical and Latest Developments”**

Dave Chesla, PA-ASCP, Director of Research  
Operations, Spectrum Health Universal Biorepository

### Morning Workshops

**10:30 AM - 11:15 AM**

**“Key Elements of Biobanking for Clinical and  
Translational Research”**

George Wilson, Scott Jewell and Dan Rohrer

**11:15 AM - 12:00 PM**

**“Key Elements of Tissue Collections for Pathology  
Laboratory Based Biobanking”**

Dave Chesla

### Afternoon Workshops

**1:00 PM - 1:45 PM**

**“Informed Consent of Participants”**

Tom Tomlinson, Allan Loup and Barb Pruetz

**1:45 PM - 2:30 PM**

**“Quality Management Programs for Biospecimen  
Research”**

Dana Valley and Renee Frey

**Scientific Supply Vendors Present All Day!**

**Registration Required**
