## Class of 2022

### What is Leadership Davie?

Leadership Davie is a comprehensive training program that develops leaders who want a behind-the-scenes peek at what makes a county run. Participants will learn about our rich history and our future potential.

We share insightful knowledge from top quality leaders and speakers using a hands-on approach to understand life in our community.

This program is for those who invest in our county as a resident, employee, or both and want to see it flourish for generations to come.

### What's in it for you?

Upon completion of your training, you will possess a wealth of knowledge to aid you as a leader. You will develop connections with a network of influential leaders that are driving Davie County forward.

Those who complete the program are welcomed into a community of past graduates who are actively shaping our future in their businesses, as board members of local organizations, and community champions.

### How to Apply

Complete your application at [DavieChamber.com](http://DavieChamber.com). The non-refundable tuition of \$750 (\$850 for non-Chamber members) includes meals and materials for all (9) nine session days, as well as, the welcoming and graduation ceremonies.
