

Pasture Walk & Talk

Featuring Special Guest Speaker

SHARL LIEBERGREEN
Director, eShepherd - New Zealand

Sharl joined Gallagher in 2024 with a wide variety of career experiences. Most recently he was a partner and senior consultant at AbacusBio, New Zealand. Sharl led and worked on a number of projects internationally centered around livestock genetics, breeding program design and associated technologies. Additionally, he managed VentureBio, supporting the livestock recording platform Dtreo internationally and is involved in the honeybee industry helping bee breeders understand genetic diversity and opportunities. Sharl has a Bachelor of Agricultural Science from Massey University.
