Case Managers Family Empowerment Program

Full Time Position covering Armstrong, Butler & Lawrence Counties
Part Time Openings available in Armstrong, Butler & Lawrence Counties

The Family Empowerment Program is a comprehensive, family-centered continuum of care designed to strengthen families, ensure child safety, and promote long-term stability. By providing a range of intensive support—including supportive housing, in-home case management, family reunification, and collaborative decision-making—the program empowers families to overcome barriers, build resilience, and reduce reliance on formal external interventions.

Qualifications:

- Bachelor's Degree required, with major course work in sociology, social welfare, psychology, gerontology, anthropology, criminal justice, criminology, theology, nursing, counseling, education or other related social science or human services field.
- Minimum of two years of post-secondary education or equivalent professional experience in a human services setting.
- Minimum of two years of direct service or case management experience within a community-based, mental health, child welfare, or family support program.
- Must have a valid driver's license, acceptable driving record and access to reliable transportation.
