FOR IMMEDIATE RELEASE

Major League Baseball issued the following statement following this morning's Indian River County Board of Commissioner's meeting. The Commissioners approved the Facility Lease Agreement between the County and Major League Baseball.

Tony Reagins, Executive Vice President of Baseball & Softball Development, Major League Baseball, said:

"We thank the Indian River County Board of County Commissioners for passing the Facility Lease Agreement that will allow us to move forward with our plans to operate and build upon the great legacy of Historic Dodgertown. We also thank Peter O'Malley for maintaining Historic Dodgertown over these past years, especially as hosts of a variety of our development-based events like the Girls Baseball and Softball Breakthrough Series and the Elite Development Invitational. Strengthening the youth and amateur levels of our sport continues to be a central goal of Major League Baseball. The future of Historic Dodgertown is a key component of our overall strategy, particularly as we look to bridge this location's special history to the future of our game. Additional details will be announced at a later date, but our expectations remain high as we look to provide opportunities and experiences for youth and amateur players that they will never forget."
