

INDIAN RIVER COUNTY TAX COLLECTOR CAROLE JEAN JORDAN ANNOUNCES INSTALLMENT PLAN APPLICATION DEADLINE FOR REAL ESTATE AND TANGIBLE PERSONAL PROPERTY TAX BILLS

Vero Beach, FL – Indian River County Tax Collector Carole Jean Jordan today announced the quarterly installment payment plan application deadline for Real Estate and Tangible Personal Property Taxes.

To participate in the program, the property owners must complete, sign and return the application to the Tax Collector's office no later than April 30, 2018. The 2017 tax bill or estimated 2018 taxes for participants must exceed \$100.00. To obtain an application, visit www.irtax.com or call (772) 226-1343 to receive an application via mail, fax or email.

Quarterly tax bills will be issued to participants in June and September with the amount based on the prior year's tax bill. December and March bills will be recalculated based on the actual tax amount due. The following discount schedule will be applied: June: 6%; September: 4.5%; December: 3%; March: no discount.

The first quarterly installment tax bill is due no later than June 30th.

Walmart introduces new way to shop in Sebastian

SEBASTIAN, Fla. – March 20, 2018 – As Walmart continues to lead in retail innovation, the company is expanding the roll out of cutting-edge technology to select stores across Florida, including one on the Treasure Coast. Headlining the list is Walmart's new Scan & Go, which allows customers to scan items as they shop in-store and **skip the checkout line**.

"We know saving time and money are top of mind for all our customers, so we're continuing to look for ways to create a quick and convenient shopping experience all while offering our everyday low prices," said Sebastian Store Manager William "Bill" Bales. "The initial feedback has been great from customers who have started to use Scan & Go. It's really transformed the way they shop with us."

[Scan & Go](#), the latest example of Walmart's commitment to help customers shop however, whenever, and wherever they want, was recently installed at the Walmart Supercenter in Sebastian at 2001 U.S. Highway 1.

Using Scan & Go

- Simply download the Scan & Go app onto a mobile phone and open the app inside Walmart, or use the devices available in store.
- Scan the barcode of each item you wish to purchase and then place the item into the shopping cart. No barcode? Quickly look up the item with "Find an Item."
- As you shop, you will see the running total of the items in your cart.
- Easily checkout and pay in the app.

Show the receipt from your phone to an associate on the way out. It's that simple.

In October 2017, Walmart shared it is investing around \$11 billion in 2017 and 2018 in the U.S. in store growth, store remodels and other innovations, such as Pickup Towers, Online Grocery Pickup, Scan & Go and more.

Famous Aircraft from the movie Memphis Belle will be on Display at the 2018 Vero Beach Air Show

Article by Catherine V. Caddell

VERO BEACH, FL – Adding to the excitement of the upcoming 2018 Vero Beach Air Show, the VBAS Board of Directors announces that the B-17 aircraft that starred in the 1990 Hollywood film sensation Memphis Belle will be featured in the line-up of static displays scheduled at the Vero Beach Regional Airport during the Vero Beach Air Show on Saturday, April 21 and Sunday, April 22.

Air Show Director Michael Moon says "The Movie Memphis Belle, as the aircraft is called, brings a tremendous reminder of our country's great heritage in defending our freedom. This B-17 is the actual aircraft used in the making of the movie Memphis Belle, the first B-17 to successfully fly 25 missions during WWII. To any group of people who see her in person this aircraft represents all the heroes who have sacrificed to keep our country safe and free. It is not every day that you get to see an aircraft that has become famous due to a rich history that has put it in the Hollywood spotlight."

The Movie Memphis Belle aircraft belongs to The National Warplane Museum, a warbird and military history museum in Geneseo, New York. Museum officials will be present with the aircraft during its appearance in Vero Beach and will offer the opportunity to purchase memorabilia, tours of the aircraft and even the opportunity to fly onboard.

The Vero Beach Air Show is a non-profit event that is scheduled every 2 years. A portion of event proceeds benefit the Veterans Council of Indian River County, The Exchange Clubs of the Treasure Coast, the Exchange Club of Indian River, and the Exchange Club of Vero Beach.

AFTER 40 YEARS, CALLAN ANNOUNCES HIS RETIREMENT FROM HISTORIC DODGERTOWN – VERO BEACH

VERO BEACH, Fla. (March 20, 2018) — Historic Dodgertown Vice President Craig Callan announced today he is retiring after his 40-year career. Callan began his career April 25, 1978 and will be retiring four decades to the day that he started his first job at the world-famous training and conference center.

"I have loved representing the Dodgers in Vero Beach and Indian River County," said Callan. "Working for the O'Malley family gave me the opportunity to interact with other community leaders and serve on numerous boards while overseeing my various responsibilities at Dodgertown. Retiring gives me the opportunity to spend quality time with my family and friends, but I will miss my Dodgertown family and support given to me from Peter O'Malley and his sister, Terry O'Malley Seidler, numerous Dodger executives and Pat O'Conner, President and CEO of Minor League Baseball. Any success that I have achieved is a direct result of them."

Historic Dodgertown Chairman Peter O'Malley said, "Craig Callan has devoted his adult life to leading, managing and enhancing Historic Dodgertown and he deserves tremendous credit for how this renowned training and conference center looks today. Craig is a community treasure and I'm happy that he and his family will continue to enjoy living in Vero Beach."

Callan arrived at Dodgertown in 1978, working for Harrison Conference Centers in New York as General Manager of Sports and Dodgertown Conference Center. In spring 1988, he became Director, Dodgertown working directly for the Dodgers, responsible for the year-round Sports and Conference Center; Single-A Florida State League Vero Beach Dodgers; and the rookie-level Gulf Coast League Dodgers. He supervised all aspects of Spring Training at Dodgertown, as well as the majority of 53 Dodger Adult Baseball Camps.

In 1990 and 1997, Callan managed the development of Dodgertown, including upgrades to the campus, new major and minor league clubhouses, umpire room, new indoor batting cages, media room and expanded office space. In 2002, he was named Vice President, Spring Training & Minor League Facilities and he directed the addition of a 30,000-square foot building behind iconic Holman Stadium's right field area, including state-of-the-art clubhouses and Dodger executive offices. His expanded duties included overseeing the Dodgers' Campo Las Palmas training facility in the Dominican Republic and as liaison with all Dodger minor league affiliates.

Prior to their 2001 sale to the local community, he also oversaw the Dodgertown Golf Club and Dodger Pines Country Club, plus 60 acres of citrus groves.

In 2008, the Dodgers moved their Spring Training home to Glendale, AZ and Dodgertown shuttered. After being closed for five months, Callan was instrumental in its May 2009 reopening, with Minor League Baseball at the helm transforming it into a multi-sport training center called "Vero Beach Sports Village." But following years of heavy losses, MiLB was about to shutter the facility a second time in 2011. That is when O'Malley and his partners stepped up to save the site, taking leadership in 2012 and effected a name change to "Historic Dodgertown – Vero Beach, Florida." More fields were added, including the quad for softball and youth baseball, a three-acre multi-sports field for use in football, soccer and lacrosse training and games.

In 2004, Dodgertown was damaged by Hurricanes Frances and Jeanne, but Callan and his staff worked tirelessly to bring the complex back to normal for Spring Training operations just three months later. Following that, he received the "Key to the City of Vero Beach." Always involved in community service and philanthropic activities, Callan was named Treasure Coast Citizen of the Year in 1998; Vero Beach Police Department Citizen of the Year in 1995; and Florida Irish-American Society Irishman of the Year in 2001. Callan has served as President, United Way of Indian River County and on several boards in the community including Vero Beach Chamber of Commerce, Samaritan Center, Council of 100 of Indian River County, the Civic Leadership Program and Gifford Youth Community Center, among others. Callan and his wife Cynthia and son Liam reside in Vero Beach and are also proud grandparents of Corliss Rose.

30th Anniversary Gala at the Environmental Learning Center

It's time to celebrate at the Environmental Learning Center's 30th Anniversary Gala. "Envision the Future" is the theme of the evening, and poet and essayist Gary Snyder says it beautifully: "Nature is not a place you visit. It is home."

A highlight of the evening will be to present the first "Environmental Visionary in Action" award. This EVA award will be given annually to honor an individual doing outstanding, boundary-pushing work, in any discipline, that focuses on enabling humans to live in harmony with their environment. This year's award will go to Sir Richard Branson, British businessman and philanthropist. Sir Richard will join the festivities by video. Attending on his behalf will be his emissaries Allington "Gumpton" Creque and Angela Burnet Penn from the British Virgin Islands who will give a brief talk and accept the award in his place.

Tim and Carol Buhl and Jacob Busch are Honorary Co-Chairs for this benefit gala taking place on Saturday, April 7, from 6 – 9 pm at Bent Pine Golf Club, 6001 Clubhouse Drive in Vero Beach. The order of the evening will be: cocktails and silent auction, dinner and dessert, presentation of the EVA award, and dancing with music provided by Alternative Therapy. There will be an open bar all evening and valet parking. Dress is festive cocktail attire.

Tickets are \$200 per person for a classic ticket, \$150 per person for young professionals (under 40 years of age – limited number of tickets available), and \$500 per person for 30th Anniversary Commemorative Tickets that include priority seating and a small thank you gift. The net proceeds will provide assistance for those with financial need who wish to take part in ELC educational programs. Tickets can be obtained online at discoverELC.org or by calling Brendon at 772-589-5050 x102. For sponsorship opportunities please contact Wendy at 772-589-5050 x113.

The Environmental Learning Center, the brainchild of members of the Pelican Island Audubon Society, opened its doors in 1988. It has been working ever since to stress the importance of fostering the connection of humans with nature. The ELC relies on the backing of donors in the community as well as dedicated staff and those who volunteer their time. "This year's 30th Anniversary Gala is aptly titled 'Envision the Future' – as we work towards a time when all humanity lives in harmony with nature. We look forward to unveiling our new Campus Master Plan this year, focused on improving the grounds for guests of all ages to connect with and be enriched by nature. It is a very exciting time for us and we are grateful for our community's support," said Molly Steinwald, ELC Executive Director.

The Environmental Learning Center is located north of Vero Beach off County Road 510 at the end of the Wabasso Bridge. Its mission is to educate, inspire and empower all people, including those with minimal access to nature, to be active stewards of the environment and their own well-being. The 64-acre campus includes exhibit areas, native plant gardens, picnic facilities and visitor center. ELC membership benefits, a list of its many field excursions, EcoVentures, including nature walks, canoe excursions, and boating adventures can be found at www.DiscoverELC.org.
