

Nicki Maslin Short Bio

Nicki Maslin joined Marine Bank as the Vice President and Banking Center Manager at its Sebastian location in 2022. Nicki has served the local community for 20+ years and has been recognized for her volunteer contributions as well as her professional achievements. This mirrors the Marine Bank's team pursuit of professional excellence and service to our community. Most importantly, clients benefit from someone who understands our community and can provide expert knowledge, outstanding service, and custom solutions. Nicki has served in many capacities in her banking career to include Management, Business Development, Merchant Processing, Private Banking as well as Commercial, Small Business & Consumer Lending over the last 25 years.

Nicki grew up in Sebastian, Florida where she graduated from Sebastian River High School. She then attended Indian River State College where she earned her Associates Degree in Business Administration and then further went on to University of Central Florida. Nicki moved back to IRC in 2005 and currently resides in Vero Beach with her family. She was named a "40 Under 40" by Vero Life Magazine and a Young Professional of the Year by the Indian River County Chamber of Commerce. She was awarded the Hope through Service award by the Hope for Families Center and is a graduate of Leadership Indian River County. She also won the coveted Mirror Ball Trophy as the winner of Dancing with Vero's Stars in 2016 which benefits the Indian River County Healthy Start Coalition. Nicki is also a Rotarian with the Rotary Club of Sebastian and a member of the Sebastian Exchange Club. She also volunteers at St. Helen's Catholic School and is a longstanding Room Mom. Nicki currently is the Chair of the Ambassador Program for the Sebastian River Area Chamber of Commerce, Ambassador and now Board Member. She looks forward to serving in her new role with SRACC and bringing value to the community.

As a fixture in the community since 1997, Marine Bank & Trust takes great pride in being a community bank. We work hard to maintain our reputation for unmatched personalized customer service. Our customers appreciate that we know them by name, take a genuine interest in their needs, and find the perfect solution for them. Local businesses have come to depend on our local decision makers acting quickly to ensure their businesses can succeed and grow. We proudly support our local community organizations with our time, our dollars, and our hearts so that those in need receive assistance. We do all this because, as a community bank, we know that our community thrives when we all succeed.

However, in today's fast-paced environment, customers also require the convenient hi-tech banking services that used to only be associated with the big banks. Fortunately, Marine Bank has made, and will continue to make, investments in technology so that our customers can bank efficiently with online banking and bill pay, mobile banking and check deposit, and robust treasury management solutions.

So, I invite you to experience the best of both worlds – *the personalized service of a community bank and the hi-tech convenience of a big bank* – all in one place – Marine Bank & Trust.
