Veteran Owned Company

In 2024 Voss Equipment, Inc.
Celebrated 90 Years in Business.

Voss Equipment, Inc. Celebrates 90 Years of Excellence in Material Handling.

VOSS EQUIPMENT, INC.

Chicago, IL - April 17, 2024 - Voss Equipment, Inc., a leading provider of material handling solutions in the Chicago area, is proud to announce its 90th year in business. Established in 1934 by Peter Voss Sr., an esteemed engineer who previously worked with Yale, Voss Equipment has been a cornerstone of the region's industrial landscape since its inception.

From humble beginnings to becoming a trusted name in material handling, Voss Equipment has remained dedicated to quality, innovation, and customer satisfaction. The company began with Peter Voss Sr., who played a pivotal role in engineering one of the first lift truck panels in 1934, marking a significant milestone in our history. Today, that panel stands proudly in our lobby, symbolizing the craftsmanship and dedication that define Voss Equipment. Peter Voss Jr., who joined the family business in 1961 after serving in the United States Marine Corps, assumed the presidency in 1980, continuing the legacy of excellence. His son, Peter Voss III, followed suit, joining the company in 1990 and becoming president in 2007. Now in its fourth generation of family leadership, Gunther Voss joined the sales team in 2023, further solidifying Voss Equipment's commitment to serving the Chicagoland community.

> "Our 90th anniversary is a testament to the enduring values of integrity, dedication, and innovation that have guided us since day one. As we celebrate this milestone, we reaffirm our commitment to serving the Chicagoland community with excellence for generations to come."
>
> Peter Voss III
> President

For 90 years, Voss Equipment has been a proud partner of Yale Equipment and other industry-leading manufacturers, providing customers with top-quality forklifts, railcar movers, and industrial vehicles. Our success is intertwined with the success of our customers and employees. We remain steadfast in our mission to deliver unparalleled material handling products and support services, forging lasting partnerships that define our legacy.

We extend our heartfelt gratitude to our loyal customers, dedicated employees, and trusted partners for their continued support over the past nine decades. For more information about Voss Equipment, Inc. and its comprehensive range of material handling solutions, visit www.vossequipment.com.
