

LEADERSHIP HEB

Leadership HEB is a program to help individuals in the Hurst Euless Bedford area develop or enhance their leadership skills. Over the course of eight months, participants have the opportunity to increase their knowledge of the community, learn team-building and leadership skills and meet community leaders. Topics covered include transportation, education, public safety, health care, city government and economic development. Along the way, participants develop lifelong friendships. Details:

- Class size limited to 20
- Class meet 10 times, October through April
- Program begins with an orientation and mandatory all-day challenge course activity
- Class will complete a community service project
- Participants must meet attendance requirements in order to graduate
- Tuition is \$500, partial scholarships are available
