HEB Chamber of Commerce Leadership HEB

CLASS REQUIREMENTS

Thank you for your interest in **Leadership HEB**. Leadership HEB is an educational experience and requires attendance at the orientation, Challenge Course day, eleven (11) meetings including the day trip to Austin, a City Council or School Board meeting from the list provided at orientation, and active participation in the class project. Any participant who is absent for more than nine (9) hours of class time, for whatever reason, who does not participate in the class project, or does not turn in a signed agenda from a designated civic meeting, will not be eligible to graduate. Any class time missed, including arriving late or leaving early, counts towards the nine (9) hours. Tuition of \$500 is non-refundable. Partial scholarships are available.

Participants in Leadership HEB are chosen through an application and selection process that assures a mix of people from diverse backgrounds and experiences that represents a cross section of our area. Class size is limited to 20.

Meetings will be held in-person or virtually. We reserve the right to make changes as health conditions dictate. CDC guidelines and local directives will be our guide.

LEADERSHIP HEB — Participation Requirements

1) Attendance

Attendance at the Challenge Course is mandatory. It is designed to create the “team atmosphere” that will be a big part of your class year. However, the decision to do any element or exercise is your choice. In addition to the Team Building Challenge Course, **you must attend 8 of the 10 program sessions to graduate.** You will not graduate or become an alumnus of the program if you miss more than nine (9) hours of class time. No exceptions! It is assumed that you are attending each class. It is very important that you contact Mary Frazier if you must be absent for a class. If it is the day of the class meeting or right before, contact the Leadership Steering Committee member moderating that session. The information will be on the email announcing the details of each class.

Class is from 1:00 p.m. until 5:00 p.m. unless otherwise indicated. Plan on staying until the end of class. We do not dismiss before 5:00. Please do your best to not leave class early or arrive late. Any amount of time you miss will count towards the total hours you can miss and still be able to graduate. Also, it is disruptive to a speaker, other guests and your peers. BE PUNCTUAL. The schedule will be very tight for each class and we do not hold up the class for tardies. It is especially unfair to our hosts to ask them to wait, as they have important and busy schedules also.

2) Attend a Public Government Meeting

You are required to attend one (1) of the following public government meetings – Hurst, Euless, or Bedford City Council, Tarrant County Commissioners’ Court OR an HEB ISD School Board meeting. Bring an agenda from the meeting you attend to your next class signed by one of the elected officials or the city secretary. Be sure and print your name on the agenda. If you regularly attend council, commissioners’ or school board meetings as part of your regular job, you must attend one in another city, school board or commissioners’ meeting for this requirement. Virtual attendance with brief summary of meeting, 250 words will count.

3) Class Project

The Leadership HEB 2021 class project will be chosen by the class either by discernment or by a vote. Working as a team, you will complete a class project before graduation. It should be one that will be of benefit to the community, a public entity or non-profit organization. It can be a one-day project or one that is ongoing throughout the Leadership year. Results should be measurable and lasting.

The Class will need to choose the project, appoint a project coordinator and submit a plan to the Steering Committee for approval. You will then work as a team, forming committees and developing timelines to complete the project. **Everyone must participate!** Remember this is not your assistant’s project or a Chamber project. **This is your project and is mandatory that you participate to graduate. An outline of the project is due to Michael Neal of the Leadership HEB Steering Committee no later than January 7, 2022.** The Class will determine from whatever group you choose to help what they may need done. For instance, the school district or the cities can work with you on specific projects. Make sure your project goals are reasonable and can be completed during your year – no legacy projects that you expect some other group to continue. **This should be a donation of your time and energy, not your money or a solicitation of money.** You may ask for material donations from businesses (i.e., paint or supplies) or donations of items (i.e., books for a book drive) from co-workers, Chamber members and others. The idea may or may not come from the Community Services Reports you are also required to complete and present on our Social Services day. This is the reason every participant should come prepared to share what they have learned from their interview. **While there may be a little time during regular class sessions, the work on your Class Project will be primarily done outside of these sessions.** One representative of the Class will make a presentation to the HEB Chamber Board of Directors at the April 27, 2022 Board meeting on what you have accomplished. One representative of the class will also make a brief presentation at the graduation (at the May 12 Chamber membership luncheon/Leadership HEB graduation) outlining what the Class accomplished, the experience of Leadership HEB and why others should go through the program.

4) Community Services Report

Contact your chosen agency. Make arrangements for a visit/tour. Don’t delay this! You do need to come to class on November 4 prepared with a three (3) minute talk describing the agency and the work they do. Bring back at least one brochure from the agency to share with class. This piece of Leadership is important because it gives the class an overview of many different agencies, needs in our community and, as stated, your class project could potentially come from someone’s report.

ALL APPLICATIONS MUST BE RECEIVED BY THE HEB CHAMBER OF COMMERCE BY AUGUST 25TH.
