

With many thanks to some very special alumni, we can now boast of having one of the finest high school sports complexes in the entire Cincinnati area. Meanwhile, alumni activities now include a men's golf league, a couples' bowling league, an annual bus trip to Keeneland, and an annual trip to Nashville for McNicholas ladies. The Military Memorial Committee, which is mostly made up of alumni, has now raised over \$80,000 in scholarship money thanks to the many other alumni who have supported their dances for the past 10 years. It simply goes on and on!

Two years ago, the Alumni Board resurrected a former program called St. Nick at McNick in which donations--mostly from alumni--are collected to purchase gifts and meals for people in need at Christmas. Donations in 2018 were more than triple that of the previous year. Members of the Alumni Board, along with other alumni, have assisted in the planning and operations of Career Day and other programs to coach students on interviewing techniques and how to "dress for success." We are now in the planning stages for an autumn craft fair and the Military Memorial Committee is planning craft beer Oktoberfest.

As I said and as I hope you agree, McNicholas is constantly changing and constantly improving in every way. We're always looking for new, fresh ideas, and as president of the Alumni Board I'm asking YOU to consider joining us. There's a great deal of satisfaction in being part of such a vibrant organization and in giving a bit of your time to such a worthwhile cause. I'd be glad to discuss it with you, so feel free to reach out to [Shawn Young](#), and he'll connect us. Thank you for your time, your support, and your consideration. Go Rockets!
