

STUDENT COUNCIL'S

GIFTS FOR HOPE

Student Council needs your help this Christmas!

What is Gifts for Hope? Our goal is to make and send Christmas shoeboxes created by students at McNick to teens around Cincinnati. [Help us by filling a shoebox of small gifts and items for teens ages 12-18.](#)

Who are we sending to? The shoeboxes collected will be given to teens through Hope Emergency (the same organization our canned food drive donates to).

Why should you help? Many of these teens will not receive any gifts this Christmas season. Creating a box can help us get into the giving spirit this Christmas season; a reminder that Christmas is more than receiving.

For more information, please email Harper Esterle.

Collection takes place **November 18-December 4** - Place your boxes under the tree in the library!
