

Prestige Photography

Congratulations, Class of 2021!

We are excited to announce that we have partnered with your school for your senior pics and are currently in the studio gearing up for an exciting summer of senior photography, as well as making sure we are up to CDC guidelines for both your health and safety, as well as our photography staff.

For in-studio photography and session details, our site is up and ready for you to click over and schedule your summer appointment at local.prestigeportraits.com (*scroll down to either Ohio or Kentucky and click on the city nearest you*). Our first sessions begin on July 7 so log on and schedule today. The calendar will fill up fast ... especially for those who want outdoor pics!

We have 3 studios ready to serve you – Phones will be monitored after June 15th.

Cincinnati OH (located in Sharonville) – 513.346.3800

Crestview Hills KY – 859.578.0110

Dayton OH (located in Kettering) – 937.299.3723

For the seniors who attend our schools that offer on-campus summer photography, look for an appointment notice coming to you soon as we solidify dates with your school.

In lieu of visiting the school to meet with your class, here's a link to our '[get ready](#)' video.

Click over to the [vid](#) (or type in your browser: bit.ly/3gAtG3t) for a glimpse of what to expect for your Prestige studio senior experience!

For yearbook deadlines and dress codes, look to your adviser for specifics and be sure to follow the school rules concerning hair, tattoos, and piercings. In general, Guys: Dress shirt and tie (with sport coat looks best); Girls: Modest neckline with shoulders covered (or the classic drape as shown). Solid tones photograph best for the yearbook.

We look forward to seeing you this summer!

Sincerely,
Your friends at Prestige

Note: Each studio is unique in design. Backgrounds vary by location.

IMPORTANT: To be in compliance with CDC and state guidelines, all sessions must be by appointment only and confirmed.

Schedule today!
