ONE STOP FOR REQUIRED <u>SCHOOL</u> AND <u>ATHLETIC</u> FORMS

Dear Parents,

You will use FinalForms, an online forms and data management service, to complete and sign mandatory school and athletic forms.

For your convenience, FinalForms saves data from season-to-season and year-to-year, so you will not need to enter the same information twice. FinalForms also pre-populates information, wherever possible, for each of your students. For your student's safely, FinalForms provides quick access for school personnel and coaches to your student's emergency information.

Forms for all students must be complete and electronically signed by parents and students no later than the <u>first day of school</u>. Forms for FALL ATHLETES must be complete and electronically signed by parents and students no later than their <u>first day of mandatory practice</u>.

Please follow the directions below to fill out your mandatory back-to-school forms. If you run into problems with FinalForms, click the **Use Support** button at the bottom of any FinalForms page and submit an email inquiry. If you need help from McNicholas, please contact Susan Rohlfs at srohlfs@mcnhs.org at 231-3500 x5142.

PLEASE NOTE: You will update and sign all forms at the beginning of the school year, but you can use your login credentials at any point during the school year to update your student's information. <u>If there is a change in address, medical history, insurance, etc., please update in FinalForms as soon as the information is available.</u>

Thank you,

David Mueller, Principal
Rob Heise, Director of Athletics

✔️DIRECTIONS FOR PARENTS OF RETURNING STUDENTS

1. Go to https://mcnicholas-oh.finalforms.com.
   (This link can also be found on the McNicholas website under Quick Links)

2. Click on **Parent Login** and enter your email and password.

   *Your email is the account that we have on file at McNicholas. You created your password when you first logged into FinalForms at the beginning of your student's first school year. If you forget your password, please use the **Forgot Password** link underneath the Login button.*

   PLEASE NOTE: Both parents have a login with unique passwords, but your student(s) is tied to each of your accounts.

3. You will see a list of your students. If you have more than one student, please complete the following steps for EACH student.

4. Click on the blue button on the left-hand side that reads **Incomplete Forms (Click to complete them)**.

5. You will be asked to verify and update your student's sports and activities. Once you have done so, click **Update Sports/Activities** or **Skip, not a student athlete**.

6. On the left-hand side, you will see a list of all of the forms that you need to review and sign. The information that you provided last school year is saved in the forms. Review the information in each form and make any necessary updates.

   PLEASE NOTE: Athletes will have more forms to complete than non-athletes as well as fees that need to be paid. You can pay your fees via FinalForms (with an added service charge) or send a check made out to McNicholas High School to the Athletic Office.

7. At the bottom of each form, electronically sign the form by typing your name. Your signature must match the name on your account (ex. Michael Smith, not Mike Smith).

8. Click **Submit Form**. Your updates and signature will be saved and it will automatically bring you to the next form in the list.

9. Update, sign, and submit until all forms in the left-hand list have been completed.

   PLEASE NOTE: Some forms require a doctor's signature (example: OHSAA physical form for athletes). Please print these out, have your doctor complete them, and return to the school or athletic office on or before the first day of school/mandatory practice.

10. Use the color-coding on the left-hand forms list to verify the status of each of your forms. If the form is green, it is 100% complete. If the form is yellow, the parent portion has been completed, but the student needs to sign the form. If the form is red, it is incomplete and still requires information and/or a parent signature.

11. **Once the parent has completed _all of the forms_ (they are all green/yellow), the student will receive an email via their McNicholas email account with a link to the forms that require a student signature.** Please remind your student to go in and sign all necessary forms.

12. Once the student has signed all of the forms, the left-hand forms list will all be green and you are finished!
