

COMMUNITY HEALTH CORPS MONTANA

Join Community Health Corps Montana (CHCM)

Serve full-time with organizations across Montana to strengthen communities and improve health outcomes.

What You'll Do

- Organize community events and lead focus groups
- Facilitate partnerships between nonprofits and public agencies
- Coordinate outreach campaigns to reduce stigma around mental health, substance use, and public support programs
- Create community-driven solutions with coalitions, schools, and clinics
- Help tackle Montana's most pressing health challenges — from housing to chronic disease and more

As a Member, You'll Receive

- Free Health Insurance
- Bi-weekly Living Stipend
- Education Award (for tuition or student loans)
- Access to the Member Assistance Program
- Leadership & Professional Development Training in Community engagement and health outcomes.
- Real-world experience to launch your career in health, nonprofits, or public service.

Full-time Service Term:

January 12 - August 21

Applications close November 16
