

Blended Model-Netics Course Schedule - 2024

The Model-Netics Self-Paced Program and Review Sessions - Schedule Details

Participants view two recordings online per week and then follow up with a live online review session with a certified Model-Netics instructor. Review sessions focus on model content and application of the models to organizational issues faced by the participants.

Day of week for review sessions: Wednesday

Time: 9:00 – 10:30 AM CST

Zoom Link: to be sent weekly
