

## **AMI Monday Morning Bridge – October 2022 Bridge Classes**

There will be 2 classes in October. The 1-hour online bridge lessons will be given online by 8-time national champion and 3-time world champion, Joann Glasson.

### **How it will work:**

All participants will meet on Zoom. Joann will send you an email with a link to Zoom on the day before the lesson. You will need a computer (preferable) or iPad with internet access. You will receive by email a printable copy of the lesson, a summary of the lecture, and a quiz and answer sheet to practice at home after the class. In addition, the classes will also include eight practice deals to play on your computer or iPad using the Shark Bridge app. Video recordings are also available to anyone who would like to review the material again or misses the live class.

### **September schedule:**

**Monday, October 10 at 10:00am:**

#### **Bidding over Partner's 2NT Opening Bid**

When partner opens 1NT there is plenty of room to describe responder's hand. An opening 2NT bid takes up more room and responder's bidding options change, creating more of a challenge. What do responder's bids mean over a 2NT opening bid? How to bid minor suits and major suits as responder.

**Monday, October 24 at 10:00am:**

#### **Control bids, Cuebids and Punts**

What does it all mean? What's asking – What's telling? What's a slam try or a game try? This lesson will untangle the mystery.

To participate in the classes, please send an email with your name and any questions to [joannglasson@msn.com](mailto:joannglasson@msn.com).

The lessons are \$40 for both October classes or \$20 for one class.

Don't worry if you can't make one of the lessons. If you sign up, but are unable to attend any of the lessons, Joann will send you a recorded video file of the lesson that you can view on your computer at your convenience. Eight practice hands will be sent to your Shark Bridge App after the class.
