

Intermediate Bridge Lessons on Defense

ALERT! Starting September 12th John Dickenson will be giving a series of lessons on Defensive Carding

WHEN: Monday mornings from 9 to 11

WHERE: North Penn Duplicate Bridge Club
298 Wissahickon Ave., North Wales, PA

Defense is the hardest part of bridge, but so important. You will be on defense twice as often as you are declarer. Declarer can see all her partnership assets, but as a defender, you only see your hand and the dummy. Proper signaling can reduce this "information deficit"

We will have a lecture, then bid, play, and discuss practice hands that illustrate the lesson. Topics will include:

September 12

September 19

September 26

October 3

Attitude Signals

Count Signals

Suit Preference Signals

Attitude Discards

Each lesson will be available for \$25 individually, or \$80 for the series of four. Cash only please. Twenty percent of the tuition will be donated to North Penn Duplicate Bridge Club.

We need a minimum of 8 students to sign up for the series in order to offer the class. No more than 24 students can be accommodated. A signup sheet will be posted at the club, or you can email the instructor at dickenjb@gmail.com.
