

Bridgemate 3 Basics

Start the Bridgemate by pressing/holding the power button (right side of the unit) for about 1 second. When the initial screen appears (figure 1), press the “Start Playing” button. Select the table number (figure 2) and the “Welcome” screen should appear (figure 3). Press the “Proceed as table 1” button and the Player registration screen should appear (figure 4).

Bridgemate 3 Basics

After the hand is complete, enter the result (figure 9) and accept or disagree (figure 10). Repeat the process for all boards in the round. After the last board is complete, the “Round finished” screen should appear (figure 11). You can review results of all boards played in the round by pressing the “Review results” button or the “Boards” icon at the bottom of the screen.
