

# FABRIC SHELTERS PROGRAM

**Custom, effective, and  
economic protection.**

In partnership with Coverco Buildings and Vertical Building Solutions, the AMM Fabric Shelters Program is designed to provide members with significant cost savings on installation and maintenance of high-quality structures able to withstand even the extreme weather conditions of Canadian winters.

## HOW IT WORKS

1. Contact either supplier with your installation or maintenance requirements.
2. Let them know that you want to use the AMM program.
3. Confirm your purchase.

## PROGRAM BENEFITS

- ◆ Complete turn-key solutions tailored to member need for both new projects and maintenance of existing shelters
- ◆ Access to extensive product line and custom engineered structures, including design through installation
- ◆ Specialized materials for extreme or corrosive environments
- ◆ Dedicated project and process management for cost and timeline oversight
- ◆ Comprehensive warranty and safety management program
