

2020 Annual Convention of the Association of Manitoba Municipalities

Good afternoon Members,

Throughout AMM's history, the Annual Convention has been our organization's primary event for Manitoba's municipal officials to gather, learn, debate and re-connect with colleagues.

Given the COVID-19 pandemic, the AMM Board of Directors has examined all options on how to proceed with the Annual Convention, while ensuring the safety and health of our membership and event participants.

Since the overall attendance for this annual event typically reaches 1300 people, including members, guests, exhibitors and provincial government staff; an event of these proportions can potentially put people who may attend at risk.

Therefore, I would like to advise you that the 22nd Annual Convention of the AMM will be a **virtual event** with a focused agenda that will include the Annual Business meeting/report, Resolutions and Executive Elections. Please mark your calendar and plan to attend and participate on **November 23, 2020**.

Details on this virtual event and how you will be able to participate, vote in the executive elections and on the resolutions will be available on [September 1, 2020](#). I encourage you to watch for email updates and visit the [AMM Convention webpage](#) for the developing program.

Through these evolving and yet still uncertain times, the AMM continues to represent Manitoba municipalities with one voice and bring our membership together in the safest way possible.

Sincerely,

Denys Volkov
Executive Director
Association of Manitoba Municipalities (AMM)

AMM, 1910 Saskatchewan Avenue West, Portage la Prairie, Manitoba R1N 0P1 Canada
