SANITATION

Need more than one of these products?

We have discounts on customized sanitation kits.

49 NORTH HAND SANITIZER was developed using the World Health Organization recommended handrub formulation. Our alcohol-based handrub rapidly and effectively inactivates a wide array of potentially harmful microorganisms on hands. Our hand sanitizer is licensed by Health Canada and meets all requirements under the Natural Health Products Regulations (NHPR).

FAQ

What percentage of alcohol is your hand sanitizer?
75% Isopropyl Alcohol

Is your hand sanitizer liquid or gel?
Liquid

49 NORTH MANUAL HAND SANITIZER DISPENSER is a 400mL refillable dispenser that can be used with liquid or gel sanitizer. This product is suitable for most free-flowing, versatile brands of sanitizers and is equipped with push levers for simple dispensing. Easily installed and mounted on any wall.

49 NORTH AUTOMATIC HAND SANITIZER DISPENSER is a 1000mL refillable automatic dispenser with a motion captured sensor that is touch-free to avoid cross infection. Includes a non-dripping valve and waterproof design. Can be easily wall-mounted or placed on a stand.

49 NORTH QUAT SANITIZER (READY TO USE) is a ready-to-use, no-rinse quat sanitizer for use on food contact surfaces and tableware. It is ideal for use in restaurants, bars, kitchens and food trucks. It may also be used for general sanitation of high contact hard surfaces, such as door knobs, faucets, railings, vending machines, and other surfaces.
