

“FREE” COMPREHENSIVE SCHOOL THREAT
ASSESSMENT GUIDELINES TRAINING (CSTAG)

BY DR. DEWEY CORNELL WHO IS A PROFESSOR AT THE
UNIVERSITY OF VIRGINIA

MVESC is offering **FREE** “Comprehensive School Threat Assessment Guidelines” training (CSTAG). This training meets all requirements for House Bill 123 signed this year by Governor Mike DeWine to help schools identify threats and provide guidance on how to effectively address threats in schools. We are excited to offer you and your staff this training and work together on issues related to threat and violence in schools. Trainings are currently scheduled for the following dates:

- **January 19th at Alexander Schools located 6015 Ayers Road, Albany, Ohio 45710**
- **January 24th at Federal Hocking High School located at 8461 State Route 144, Stewart, Ohio 45778**
- **January 27th at East Guernsey High School (Main Entrance) located at 65553 Wintergreen Rd., Lore City, Ohio 43755**
- **February 23rd, at East Central Ohio ESC located at 7077 Glenn Highway, Cambridge, Ohio 43725**

CSTAG is an evidence based, interactive, in-person training

A crisis occurs when prevention fails

Do you know what a **Threat Assessment** is and how to effectively utilize it?

Do you know what the **two inter-related goals** of a Threat Assessment are?

Do you have a **Threat Assessment Team**?

If you can answer “NO” to even one of the above questions, then CSTAG Training is just what you need.

1 Day Workshop

School-based Multidisciplinary Teams

Developed by Dewey Cornell, Ph.D.
