MATHEWS: Say what.

LEMLEY: Is that her address.

MATHEWS: How did her address get out there.

LEMLEY: Someone posted it.

MATHEWS: What could we do with that. Ah I would actually. Hey wait a minute. Okay. So let's just say that things are moving a lot slower than they should be. Let's say these people aren't gonna push through those laws.

LEMLEY: Don't say it.

MATHEWS: But just just what if.

LEMLEY: [unintelligible]

LEMLEY: She's a woman too so she doesn't understand subtleties. She'll just go right for the throat.

MATHEWS: She she's the one in charge.

LEMLEY: Her and Ralphie.

MATHEWS: Hmm. It sounds like Ralph isn't exactly the greatest guy either. Well we'll have to see what happens tomorrow. Today was almost a nothing burger. [unintelligible]
