

# CCDS School Van Transportation

Canton Country Day School operates a school van for several areas that are not served by school district buses. We are now proud to offer this service on a long term, short term or daily basis for the beginning or end of the school day on an availability basis. Prices for travel are based on a distance up to 10 miles. If the distance is over 10 miles an additional fee of \$0.40 per mile will be added. The number of travelers allowed will depend on the age of the students.
