

Construction Notice

Summer 2025 – Fall 2026

A project delivered by the
Cook County Department of
Transportation & Highways

EXPECT DELAYS - Lane Closures, Lane Restrictions

Locations and Improvements

Village of Schaumburg, Elk Grove Village – The improvements include removal and replacement of the existing bridges at Lehigh Avenue over East Lake Avenue and Meacham Road over the West Branch of Salt Creek. Meacham Road will be demolished and reconstructed in two stages with associated minor drainage improvements.

Traffic Impact

While the project will be able to maintain a lane in each direction at all times, we do anticipate lane closures and restrictions through the duration of the project. Motorists and pedestrians are advised to use caution when traveling in these areas or seek alternate routes.

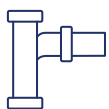

Project Benefits

Bridge
replacement

Improved
rideability

Drainage
Improvements
