From the East ...

Greetings from the East,

Hello Brothers,

Brethren, it has been a wonderful start to the year! We have had our first Fellow Craft degree, a petition for the 3 degrees in masonry, and a successful beginning to our expanding extra masonic activities. We will continue to expand and introduce new ideas and activities for brothers and family to enjoy.

Should everything go well with the investigation of our newest candidate, our next entered apprentice degree will be the second Monday in April. Those other potential candidates, who we have spoken to, will hopefully get everything submitted for their investigations. You will continue to work to keep this momentum up and create new opportunities for those interested to meet and get to know us.

From the East...

Brothers and Brews has been a great success. All brothers, family and friends are welcome. We meet on the last Wednesday of the month at 6 PM at different restaurants or bars. It's a time to socialize outside of lodge without the burden of business. Our next gathering will be March 27, 6 PM at Reboot in downtown Dunedin. The question of the day will be "what relevance does masonry hold in this modern society?" We look forward to hearing your thoughts and spending time with you.

As always, if a Brother has ideas for fundraisers, activities, or any other events please let the officers know.

By the Square,
W. Jacob Maisel
Worshipful Master

From The West

Hello brothers,

Our lodge has recently conducted a FC degree. It was my privilege to participate and to sit in the East. It was great to see the degree come together so well. Everyone made a real effort to do their part in providing a quality experience for our newly passed brother. I think that this is the most important thing that we can do as Masons. While no one is perfect, everyone can work hard to do their best. Our candidates and brothers deserve nothing less.

Our lodge is currently raffling off a Heritage Arms single action revolver. It is chambered in .22lr and comes with a .22 WMR cylinder for additional utility. This particular revolver is modeled after the 1873 Colt Single Action Army. It is a Betsy Ross commemorative model and would look pretty good displayed in your man room. You can purchase one ticket for \$5 or five for \$20. The drawing will take place in May. Remember, all proceeds will directly benefit your lodge. Hope to see you in the lodge soon!

Fraternally,
W.: Scott Spell PM
Senior Warden

From The South

Greetings Brothers,

This year, I have dedicated myself to learning more and more about Freemasonry. I enjoy the symbolism, the rituals, and the meaning of Freemasonry.

I first started to research why some people call the lodge a temple. I found an amazing article, written by Majesty Montanez titled, *The Real Reason a Masonic Temple is Called a Lodge*. In there, Majesty offers an explanation, "The religious, philosophical, and spiritual nature of Freemasonry is the reason as to why the meeting place of any group of Freemasons is called a temple, which is defined in everyday language as being a building devoted to the worship, or regarded as the house or dwelling place, of a God or Gods.

In event of the death of a Brother, a Masonic Funeral can be requested by contacting the Lodge Secretary, Jim Tuller at

Donations are Appreciated

Please remember the Lodge in your will

" Through this definition, I conclude that the lodge (or temple) serves as a meeting place to conduct business and symbolically is a place where we philosophically and spiritually meet. The lodge is a place of like-minded men talking about the true nature of existence. It is a place to share both personal business and philosophical knowledge to become better. What are your thoughts as to why we call a lodge a temple?
