## From the East ...

My brothers,

As I write this, I am about 24 hours away from rejoining you in Lodge. It warms my heart to know that we will soon resume laboring together. It warms my heart even further to know how many petitioners have recently sought to be a part of our Brotherhood while the lodge was dark.

While we were dark, we were unable to participate in activities that our lodge has traditionally been a part of. While a JROTC Cadet did receive the B.J. Sammons scholarship, we were unable to present it in person as we have done in the past. Our Bikes for Books program, where we have traditionally given multiple bicycles to students at Dunedin Elementary had to be converted to a gift card program due to early closure of the schools and the needed social distancing.

Even the Grand Communication in Orlando was cancelled, which many of us were very much looking forward to. But despite the alterations to our traditions, many brothers stepped up and made sure that we were able to continue these traditions, in some fashion, during the quarantine.

My brothers, the last few months have been hard on many, many people. Many people have lost their jobs, seen their income reduced, and faced severe illness. Please continue to look for ways that our lodge can assist and touch the lives of those in our community.

Fraternally,

W.: Gregory Gulick

Worshipful Master

## From the West

“Our new Abnormal Normal”

What an unprecedented time we are living through. I want to start this trestleboard article with my family and my sincere hope that you are staying safe and healthy during the COVID-19 pandemic. In Florida we are slowly coming out of lockdown and attempting to restart our economy. We are fortunate as other states are not yet even in phase 2 of reopening.

As a gentle Craft we opened our Lodge doors on June 1, 2020. Although, your Dunedin Lodge leadership are taking every precaution to make sure that if you are able to visit the Lodge you will do so in a safe environment.

We continue to have our ZOOM calls every Monday night. Please reach out to me if you are not receiving the login information. They have been an oasis of Brotherhood in a time where we all need it!

Our Fraternity and our Lodge is strong and will make it through this pandemic. We will come out of it closer than ever and fully understanding that your Dunedin Lodge Brothers are here to walk through this process with you.

I will end this article as I started it and wish you and yours  
Health, Hope and Safety!

On the Level,

Michael St-Laurent

Senior Warden

## FROM THE SOUTH

Greetings from the South Brothers,

As we make our way back to Lodge I cannot be happier. Although our Zoom meetings have been a great way to stay in touch and catch-up with our fellow Brethren, it still doesn't compare to being in our Lodge physically and seeing all our Brothers. We have a lot to catch-up on as far as Proficiencies and Degree Rituals to do in the next few months, so get ready to start going full steam!

And if you cannot make it to Lodge, that is OK also. You will be with us in spirit.

Our “Bikes for Books” went very well this year, even though we did not get to give bikes to the kids, we presented each student with a \$100 gift certificate so they could and purchase a bike or in these difficult times purchase stuff that is needed around their household. I appreciate all of the donations that you have given over the year to provide these kids with this well earned and deserved Honor. It fills my heart to know that our Brothers care so much for the Dunedin Community. Thank you. So until we meet again Brothers, stay safe and always know that your Brothers are a phone call away if you need anything.

By the Plumb,

Greg Brown

Junior Warden.

Secretary's Notes

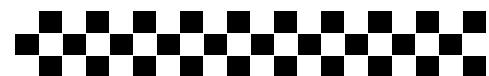

Brothers,

As we return to Labor we need to start thinking of the future. We will have three Candidates ready to start their Masonic Journey beginning with the Entered Apprentice Degree. We also have a Fellowcraft almost ready for the Master Mason Degree. In addition, the year is half over so the new Officers for 2021 will be decided soon and, the Holidays are only a few months off. All of this hinges on what's going on in the world, and how we react to it. Keep yourselves safe Brothers, our world is changing so be ready to adjust to it.

Fraternally,

Mike Palenik P.M.

Secretary

The Work

Montford C. Holley

The gavel sounds and all is still:  
The Master speaks, proclaims his will:

Each one obeys, takes up his tools.  
Inspects the plan, consults the rules:  
With trowel and level, plumb and square,

Each stone is set exactly where  
The plan provides, the drawing shows  
And day by day, the Temple grows:  
The porch is finished, pillars placed  
The strands of net-work, interlaced  
The chambers furnished, pavement laid,

The sacred vessels all displayed:  
The walls are standing, straight and true

The roof is on, the labor through:  
The Master speaks, The work is done:  
The gavel sounds, God calls us home.
