## From the East ...

Greetings from the East,

Hello Brothers,

July is here and we are dark for this month and August. Duties are still being taken care of, floors will be waxed, and other items will be repaired. We are getting estimates to refurbish the bathrooms as they are almost 50 years old and time has taken a toll on them. The average age of our members is just over 60. Our gentle craft and our lodge has one fifth the membership of when I joined, and I was in my thirties.

I would like to remind you of our LAMP (Luminous assembly of Masonic Philosophers) group where we read a book and discuss our thoughts on it. We are currently reading "The Path of Freemasonry" by Mark Stavish.

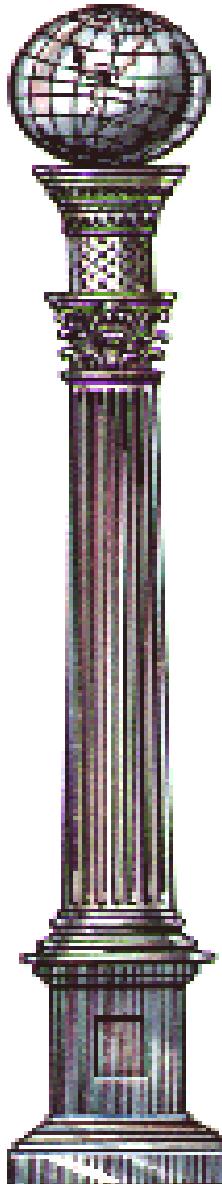

Another thought for the completest mind, for 300 years our gentle craft has enjoyed the Enlightenment, philosophical, and Principles of Anderson's Constitutions printed in 1723. The Foundation of modern Freemasonry.

"It is not what we eat, but what we digest that makes us strong" It is not what we earn, but what we save that makes us rich"

By the Square,

W. Phil Bonds

Worshipful Master

### The Work

**Montford C. Holley**

The gavel sounds and all is still:  
The Master speaks, proclaims his will:  
Each one obeys, takes up his tools.  
Inspects the plan, consults the rules:  
With trowel and level, plumb and  
square,  
Each stone is set exactly where  
The plan provides, the drawing shows  
And day by day, the Temple grows:  
The porch is finished, pillars placed  
The strands of net-work, interlaced  
The chambers furnished, pavement  
laid,  
The sacred vessels all displayed:  
The walls are standing, straight and  
true  
The roof is on, the labor through:  
The Master speaks, The work is done:  
The gavel sounds, God calls us home.

## From The West

Hello brothers,

I am happy to say that all looks well from the west. We will be dark through July and August and will resume our status meetings on Monday, 18 September. During that time I encourage you to rest, enjoy time with friends and family, and take time to travel to a lunch you may not have had time to visit yet.

I would also like to reiterate the encouragement of the Worshipful Master to join us for our next LAMP meeting. It is an excellent opportunity to explore ideas and philosophy of freemasonry. We do not have time to explore in much depth in Lodge. If you'd like further information, please reach out to any of us.

Finally, I would like to appeal to the craft at large to join us for our practice sessions. Circumstances arise for all of us and it is particularly important for us to have back up. Should officers be confronted with unforeseen circumstances that prevent them from coming to Lodge I feel it would be wise for those of us who still need practice to learn by example, and for those of us who are proficient to remain cell. I will be calling for practice sessions during July and August in order to return to the light stronger and more proficient than ever.

Fraternally

Jacob Maisel

Senior Warden

## From The South

Hello Brothers,

Greetings from the South! As we enter July and August, the lodge has gone dark. What does it mean to go dark? We know that the lodge ceases to have stated meetings and is a time for its members to perform some routine maintenance projects to prepare for September. But symbolically, going dark is much more.

According to Albert Mackey, in his book, Revised Encyclopedia of Freemasonry (1929) pg.

262, "Darkness has, in all the systems of initiation, been deemed a symbol of ignorance, and so opposed to light, which is the symbol of knowledge".

When a lodge goes dark, it is a time for preparation. As Masons, we take this time to relax, recover, and prepare for when the Lodge is brought back to the light.

*In event of the death of a Brother, a Masonic Funeral can be requested by contacting the Lodge Secretary , Jim Tuller at*

*813-917-7794*

*Donations are Appreciated*

*Please remember the Lodge in your will*

Our lifelong quest of attaining more 'light' refers to the attainment of mental illumination and the journey towards becoming a 'better' man.

It is important we take this time, in the dark, to prepare ourselves for when we are brought to the light.

I look forward to seeing everyone soon and hope everyone is enjoying their summer.

Fraternally,  
Robert Walsh  
Junior Warden
