From the East ...

My brothers,

This year has been a difficult one for a lot of people. Many Americans have been affected by this pandemic in one way or another. Some have lost loved ones, others have lost their employment. Please remember to keep all of these men and women in your thoughts and prayers and look for opportunities to touch the lives of those affected.

Closing the lodge for a few months this year was a difficult but necessary decision. While we were unable to labor together in person, our fellowship never ended. Thanks to our Senior Warden, W.: Michael St. Laurent, we were able to meet virtually every Monday night. Not only were we able to socialize and get business done online, but we managed to meet with multiple men interested in joining our lodge. And I had the pleasure of recently initiating three of them into our fraternity.

As I write this, five more petitioners are undergoing investigation! And there are other petitioners who are in the process of completing their paperwork.

I am so pleased to see so much interest in our fraternity this year. This is a testament to all of you who live your lives as Masons, spreading the light of our Fraternity.

In sum, it has been one of the greatest honors of my life to serve as your Worshipful Master this year. It is my hope that at the end of my year that I can look back and see that our lodge has weathered this chaotic storm and emerged from it better, closer, and stronger.

Fraternally,

W.: Gregory Gulick

When is a Man a Mason

Joseph Fort Newton

When he can look out over the rivers, the hills, and the far horizon with a profound sense of his own littleness in the vast scheme of things, and yet have faith, hope and courage--which is the root of every virtue.

When he knows that down in his heart every man is as noble as himself, and seeks to know, to forgive, and to love his fellowmen.

When he knows how to sympathize with men in their sorrows, yea, even in their sins--knowing that each man fights a hard fight against many odds.

When he has learned how to make friends and to keep them, and above all how to keep friends with himself.

When he loves flowers, can hunt the birds without a gun, and feels the thrill of an old forgotten joy when he hears the laugh of a little child.

When he can be happy and high minded amid the meaner drudgeries of life.

When star-crowned trees, and the glint of sunlight on flowing waters, subdue him like the thought of one much loved and long dead.

When no voice of distress reaches his ears in vain, and no hand seeks his aid without response.

When he finds good in every faith that helps any man to lay hold of divine things and sees majestic meanings in life, whatever the name of that faith may be.

When he can look into a wayside puddle and see something beyond sin.

When he knows how to pray, how to love, how to hope.

When he has kept faith with himself, with his fellowman, with his God; in his hand a sword for evil, in his heart a bit of song--glad to live, but not afraid to die!

Such a man has found the only real secret of Masonry, and the one which it is trying to give all the world.

From the West

“2020”

Brothers,

As I sit and consider the 2020 Masonic Year, I can't help but have many emotions for all of those people who have been, are now, or may yet get sick. I enjoyed my ignorance of medical terms that now seem commonplace. Antibody tests and Nasopharyngeal tests. Things that didn't ever make my consciousness in years past.

All that said, I can't help but be proud of our Lodge. We have taken advantage of this time to increase communications via ZOOM and, more importantly, have kept our members safe and healthy with meeting the CDC rules in our Lodge meetings.

It has been an honor to sit in the West and be a part of your Lodge leadership as we moved through this trying year. I'm hopeful for a more “normal” 2021 Masonic year.

On the Level,

Michael St-Laurent

FROM THE SOUTH

Greetings from the South

Brothers!

It's been a roller coaster year in Masonry and for the World in general, But we will get through this just like we do with every other obstacle that is put in front of us. I would like to Congratulate our 3 new entered apprentices and welcome them into the Fraternity. With another 5 (Hopefully) to be brought into the Quarries soon. So we still have alot of work to do before the end of the year. I would like to thank all of you for all the inspiration you have given me throughout the year as your Junior Warden. And I hope to serve you in the future as I move through the chairs. It has been my pleasure to be your Junior Warden as you continue to Inspire me. I want to Thank Our Worshipful Master Dr. Greg Glick and Our Senior Warden Mike St-Laurent for their wisdom and guidance throughout this year, And would like to Thank all of the other Officers for all their hard work this year. Keep your heads up and keep looking to the future.

Fraternally,

Greg Brown

Junior Warden
